

ESPLANADE HOTEL FREMANTLE

Located in the heart of Fremantle, only 20 minutes from Perth CBD, is the four-star Esplanade Hotel Fremantle, proud winners of the 2006 AHA Hotel Awards for Excellence in Conference and Banquet Services.

2007 marks the 10th anniversary in the Green Journey of the Esplanade Hotel Fremantle.

Their first step of its ongoing commitment was to sign as a member of the Federal Governments Greenhouse Challenge in 1997; an initiative for Australian companies to help lead the way by reducing millions of tones of greenhouse gas emissions each year. Building on their commitment, the hotel secured its AAA Tourism Green Star accreditation in 2001, the first in Western Australia.

The Esplanade Hotel Fremantle recently became the first WA carbon neutral hotel; this being achieved by securing 9.6 hectares of rainforest in Ecuador to offset the Hotels remaining carbon emissions.

The Esplanade Hotel Fremantle began its extensive guest room refurbishment in 2004. August 2007 saw its completion valued at AUD\$2.5 million. The final stage included bath/shower combination, soft furnishings, pillow menus and broadband, reinforcing the Esplanade Hotel Fremantle's commitment to provide the very best facilities for their guests.
