Clean Sweep For Members at Recent Award Nights

A vast number of members have been duly recognised for their excellent achievements, innovation and commitment to the tourism industry at both the Western Australian Tourism Awards and the AHA AON Hotel Awards for Excellence.

In particular the Esplanade Hotel Fremantle did exceptionally well, snapping up the three awards they were nominated for:

- Environmental Initiative Award
- Conference and Banquet Services Award
- Front Office Services Employee Award (Scott Hulme- Head Concierge)

The Perth Convention Bureau was pleased to sponsor the AHA Conference and Banquet Service Award which was received by Marylyn New, Managing Director on behalf of the team at Esplanade Hotel Fremantle. (See picture below)

AHA CEO Bradley Woods said the event grows every year with more venues and more awards in 2007 than ever before.

"Hoteliers continue to rise to the occasion by setting exceptional standards of excellence for the WA hotel industry," he said.

PCB congratulates all Members in the Winner's Circle
